The *FIRST*® Core Values

The Core Values are the heart of *FIRST*®. By embracing the Core Values, participants learn that friendly competition and mutual gain are not separate goals, and that helping one another is the foundation of teamwork. Review the new *FIRST*® Core Values with your team and discuss them whenever they are needed.

We express the *FIRST* philosophies of *Gracious Professionalism*® and *Coopertition*® through our Core Values:

- **Discovery:** We explore new skills and ideas.
- **Innovation:** We use creativity and persistence to solve problems.
- **Impact:** We apply what we learn to improve our world.
- **Inclusion:** We respect each other and embrace our differences.
- **Teamwork:** We are stronger when we work together.
- **Fun:** We enjoy and celebrate what we do!

The Core Values Poster

The Core Values poster is designed to help tell your team's unique story. It may be a requirement at official events. Check with your region's tournament organizer to find out if you will need to make a Core Values poster.

Create a Core Values poster

1. Discuss ways your team used the Core Values this season – both in team meetings and in other parts of life. Make a list of examples.
2. Ask your team to select examples that highlight the specific Core Values areas below. These are typically the most challenging categories for judges to explore during judging sessions. The poster can help your team present their successes in an organized format.
 - a. **Discovery:** Provide examples from the season about things your team discovered that were not focused on gaining an advantage in the competition or winning an award. Tell the judges how the team balanced all three parts of *FIRST* LEGO League (Core Values, Project and Robot Game), especially if they were really excited about one part.
 - b. **Integration:** Provide examples of how your team applied the Core Values and other things you learned through *FIRST*LEGO League to situations outside of team activities. Let the judges know how team members integrated new ideas, skills and abilities into their everyday life.
 - c. **Inclusion:** Describe how your team listened to and considered ideas from everyone and made each team member feel like a valued part of the team. Share with the judges how they accomplished more by working together than any team member could have done alone.
 - d. **Coopertition:** Describe how your team honors the spirit of friendly competition. Include information about how your team provided assistance to and/or received assistance from other teams. Share with the judges how your team members help each other, and help other teams to prepare for a potentially stressful competition experience.
 - e. **Other:** Use the middle of the poster to highlight anything else your team would like to share with the judges about the remaining Core Values criteria. Maybe consider sharing examples of team spirit, respect, or teamwork.
3. Have your team create their Core Values poster. One *possible* format is shown on the next page. The overall size of the poster should be no more than the measurements shown, and it may be smaller, especially if required for travel needs. The poster may be rolled or assembled on site.

NOTE:

The *FIRST*® LEGO® League Core Values were updated for the 2018 season. Please observe that there are no longer program-specific Core Values. They have been replaced by the *FIRST*® Core Values presented here.

CORE VALUES POSTER:

This is a great tool to help your team think about how they implement the Core Values in team meetings and elsewhere. Check with your tournament organizer to see if your team is expected to bring a Core Values poster into the Core Values judging session.
